Frame depth	mm
Frame thickness	mm

What is the handing of the door?

The diagrams show four door handing options:

- A:** L.H. (Left Hand) Inside. The door is shown from the inside, swinging to the left.
- B:** R.H. (Right Hand) Inside. The door is shown from the inside, swinging to the right.
- C:** R.H. (Right Hand) Outside. The door is shown from the outside, swinging to the right.
- D:** L.H. (Left Hand) Outside. The door is shown from the outside, swinging to the left.

 Each diagram is accompanied by a response box with two columns: the first for the letter (A, B, C, or D) and the second for a blank space.
